

THE SALTMARSH PARTNERSHIP EXPANDS TOUR OPERATOR PORTFOLIO Grape Escapes & World Expeditions choose TSP

The Saltmarsh Partnership has expanded its portfolio of tour operator clients with recent appointments by wine touring specialist Grape Escapes and trekking and adventure market leader World Expeditions.

Grape Escapes and its sister brand **Champagne Escapes** are leading names for food and wine enthusiasts. Welcoming almost 2,000 guests in 2008, the company does not aim to attract solely wine buffs but also the enthusiastic amateur or those simply keen to learn a little more.

A large proportion of its business is focused around Champagne weekends and longer breaks, but all major wine producing areas of France are covered and the company has ambitions to break into other European wine countries.

Carefully blending just enough technical information with top class restaurants, outstanding accommodation, detailed itineraries, amiable tour guides and the company of like-minded travellers, the company offers a flexible and fun approach to wine tours.

Since its inception in 1975, **World Expeditions** has earned itself an outstanding reputation as a world leader in small group trekking and adventure holidays.

Focusing on genuine 'off the beaten track' experiences with an emphasis on travelling responsibly, the company offers

groundbreaking adventures in the Himalaya, Europe, Asia including Central Asia, Australasia, the Polar regions, Africa and South, Central and North America, but is best-known for its trekking and climbing options in Nepal.

World Expeditions trips are for travellers who want to discover destinations from the inside - taking the 'paths less travelled' to interact with and learn about local cultures, rather than simply ticking off tourism spots; experiencing true wilderness settings in the world's most remote and pristine locations. More than 500 stand-alone itineraries are offered, from small group active adventures and expeditions to cycling and walking tours to cultural journeys.

Sister brand UTracks offers a collection of affordable, innovative and fun adventures throughout Europe. Itineraries are typically self-guided, allowing travellers the flexibility to explore at their own pace and spend longer doing exactly what they want, with fewer pre-booked inclusions.
