Discover the inspiration behind the masterpieces of Dali, Mozart and Stevenson

Be inspired by the works of three masters of the arts on one of three European journeys this summer.

Adventure holiday specialist operator UTracks has created the following unique cycling and walking holidays where holidaymakers can gain a greater appreciation of the lives and works of Dali, Mozart and Stevenson combined with value for money, scenic beauty and local culture.

1. Footsteps of Dali – 7 day self guided walk

Discover the landscapes and villages that inspired the surrealist paintings of Salvador Dali as he journeyed across the foothills of the French Pyrenees, along the Vermillion coast and into Spain. Enjoy the magnificent views of the coast, rolling hills and terraced vineyards as you reach the Mediterranean, with the opportunity to swim in the sea or climb high into the hills for more spectacular vistas along the way. Prices start from £630 per adult. Daily departures.

2. Mozart Cycle – 7 day self guided cycle

Trace the legacies of one of the classical era's most influential composers, Wolfgang Amadeus Mozart while you cycle across Austria's most spectacular Alpine landscapes. This well marked 'Mozart Trail' will explore the sights and sounds which inspired Mozart throughout his life, meandering through picturesque villages and visiting the church where Mozart's 'Coronation Mass' was first performed, concluding on the shores of Lake Wolfgangsee. Prices start from £595 per adult. Daily departures until 31 October.

3. Stevenson Trail family adventure – 5 day guided walk

Follow the path taken by Robert Louis Stevenson across 220km of the Central Massif of France, the journey which inspired 'Travel with a donkey in the Cévennes'. Take in the timeless landscapes and remote villages at the relaxed pace of the donkey who carries your provisions, staying in simple, character filled lodges. This

slow paced but spectacular trail is an ideal trip for all the family. Prices start from £495 per adult (£360 per child). Departures every Monday from 6 July to 24 August.

Quoted prices are inclusive of accommodation, most meals, equipment, baggage transfers, and clear maps with images. High season supplements apply.
