

AN ARUBA RESORT WHERE IT PAYS TO GET PREGNANT!

Hoping to hear the patter of tiny feet in the near future? The Westin Resort on the Dutch Caribbean island of Aruba has just announced a very special offer for would-be Mums and Dads.

Couples that conceive during a romantic getaway at the hotel will receive a special US\$300 'Conception Credit' towards a return visit to the resort in 2010.

The special offer is valid for couples staying at the hotel until 18 December 2009; and as an added bonus, bookings made prior to 30 September are also eligible for a US\$100 resort credit, which can be used towards activities such as an in-room massage or other spa services.

To prove that the Westin was the site of the happy occurrence, the couple will need a note from their doctor saying that the likely conception date took place around the time of their stay at the resort.

The Westin Resort in Aruba now offers a new twist on the all-inclusive holiday. Rates start from \$199 (less than £120) per person per night and include accommodation, three meals daily, unlimited drinks (including beer, wine and cocktails), a US\$25 dining credit for the resort's fine dining establishments, non-motorised water sports, tax and service fees and more.

For resort reservations or further information, call (877) 782-0149 or visit www.westinaruba.com/allinclusive. When booking, please ask quote CLASSIC.
